The point of diversion and place of use of this application is located at the City of Elko Sewer Treatment plant. The City was granted waivers to drill shallow dewatering wells at the plant to accommodate recent construction activities. These wells were utilized to dewater shallow surface waters during construction. They now desire to utilize these wells on an annual basis for maintenance purposes at the facility. This application is being filed to change a portion of Humboldt River Decree Proof 00202 which is controlled by the City for dewatering purposes as a beneficial use per NRS 534.025. The wells will be utilized on an annual basis for 60 days out of the year at a duty of 13.26 acre feet seasonally to allow the City to perform maintenance activities at the plant.
