APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This temporary permit, to change the place of use of a portion of the waters of the Newlands Reclamation Project rights in the Truckee and Carson River final decrees and all of Permit 48473, Certificate 16480; Permit 49568, Certificate 18022; and Permit 81306 and a portion of Permit 76203, Certificate 18119, which changed the place of use of a portion the Newlands Reclamation Project rights in the Truckee and Carson River final decrees, is issued subject to the terms and conditions imposed in said decrees and with the understanding that no other rights on the source will be affected by the change proposed herein.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will expire on November 15, 2015, at which time all rights herein granted shall revert to the right being changed by this temporary permit.

This temporary permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this temporary permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The point of diversion and place of use are as described on the submitted application to support this permit.
