APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit, to change the place of use of a portion of the waters of the Newlands Reclamation Project rights in the Truckee and Carson River final decrees and a portion of Permit 47898, Certificate 16419; and Permit 52551, Certificate 16206; and all of Permit 58309 which changed the place of use of a portion the Newlands Reclamation Project rights in the Truckee and Carson River final decrees, is issued subject to the terms and conditions imposed in said decrees and with the understanding that no other rights on the source will be affected by the change proposed herein.

This permit is issued under the provisions of NRS 533.040 Paragraph 4 and is limited to the irrigation of 63.74 acres within the proposed place of use.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The point of diversion and place of use are as described on the submitted application to support this permit.
