 STATE ENGINEERS OFFICE

Exhibit C**Miscellaneous Remarks**

This application, along with other related applications being filed contemporaneously herewith, are being filed provisionally. Kobey Valley Ranch, LLC ("KVR") believes that the correct course of action following the Nevada Supreme Court's September 18, 2015 Order on the appeal from State Engineer Ruling 6127 is for the District Court to remand the case to the State Engineer and for the State Engineer to conduct further hearings on the applications at issue in Ruling 6127. If those applications are determined by the District Court or the State Engineer to have been denied on account of the Supreme Court Order, then KVR will pursue these new applications. If, however, the State Engineer reopens the hearing for further action on the applications at issue in Ruling 6127, then the new applications will be withdrawn.
