

THE STATE OF NEVADA
CERTIFICATE OF APPROPRIATION OF WATER

WHEREAS, J. E. Thornton has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from Eldorado Canon Creek through the Star Peak Mill ditch, pipe-line, flume () for irrigation, power, stock (Mining, Milling,) and domestic purposes, the point of diversion named in said application being as follows: in the NW 1/4 SW 1/4 Sec. 32, T. 31 N. R. 34 E. M.D.B. & M., at a point from whence the SW corner of said section, township, and range bears S 11° 0' W, 1,700 feet distant, and situated in Humboldt County, State of Nevada.

NOW KNOW YE, That the State Engineer, under the provisions of Section 29, Chapter XVIII, Statutes of 1907, has determined the amount of such appropriation as follows:

Name of appropriator J. E. Thornton.
Postoffice address Unionville, Humboldt County, Nevada.
Amount of appropriation 0.375 cubic feet per second.
Date of appropriation September 28, 1910.

Description of irrigated land Description of works:
The principal source of water supply is a spring, the water being diverted from this spring at the point heretofore described, by means of a small dam and conducted in a northerly direction through 550 feet of 3 inch pipe, with a 60 foot fall, to a mill site, said mill site being located in the NW 1/4 SW 1/4 Sec. 32, T. 31 N. R. 34 E. M.D.B. & M., and the water there utilized for mining and milling purposes.

Description of use other than irrigation
Mining, Milling, and Domestic Purposes

The right to water hereby determined is limited to such times as actually needed beneficially, and the use is restricted to the place where acquired and to the purpose for which acquired; rights for irrigation not to exceed three acre-feet per year for each acre of land for which appropriation is herein determined. Continued title to water depends upon beneficial use of water appropriated.

IN TESTIMONY WHEREOF, I W. M. KEARNEY, State Engineer of Nevada, have hereunto set my hand and the seal of my office, this Sixth day of May, A. D. 1913.

W. M. Kearney
State Engineer
