

THE STATE OF NEVADA
CERTIFICATE OF APPROPRIATION OF WATER

WHEREAS, John Wenzel has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from Willow and Gravel Springs through the Wenzel ditch, pipe or flume for irrigation, stock and domestic purposes, the points of diversion named in said application being as follows: for Willow Spring N. 62°-50' W., 3420 ft. from the 108 mile cor. on the Utah-Nev. State line, and for Gravel Spring N. 48°-31' W., 8566 ft. from the same corner, as shown by a map filed under the permit, situated in White Pine County, State of Nevada.

NOW KNOW YE, That the State Engineer, under the provisions of Section 29, Chapter XVIII, Statutes of 1907, has determined the amount of such appropriation as follows:

Name of appropriator John Wenzel.
Postoffice address Parker, White Pine, Nevada.
Amount of appropriation 0.4 (4/10) cubic feet per second.
Date of appropriation June 19th., 1908.

Description of irrigated land --Forty acres on unsurveyed land, the NE Cor. of which tract is located N. 61°-0' W., 9640 ft. from the 108 mile cor. on the Utah-Nev. State line. The points of diversion located above are for the heads of the respective springs. From those points the water flows in separate natural channels toward the irrigated land, and near the land is taken from the channels by short ditches to the place of use.

Description of use other than irrigation, --Stock-watering and domestic purposes.

The right to water hereby determined is limited to the period between Apr. 15th. and Oct. 1st., of each year, for irrigation, and the use is restricted to the place where acquired and to the purpose for which acquired; rights for irrigation not to exceed three acre-feet per year for each acre of land for which appropriation is herein determined. Continued title to water depends upon beneficial use of water appropriated.

IN TESTIMONY WHEREOF, I W.M. Kearney, State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 20th. day of

December A. D. 1913

W.M. Kearney
State Engineer

Compared. J.P. 10.22.5.
