

THE STATE OF NEVADA
CERTIFICATE OF APPROPRIATION OF WATER

WHEREAS Pacific Portland Cement Company has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from Baker Spring No. 2 through private pipe line for mining, milling and domestic

purposes. The point of diversion of water from the source is as follows: approximately NE 1/4 Sec. 29 T. 31 N., R. 24 E., M.D.B. & M., unsurveyed or at a point which bears N. 5° 19' 7250 feet distant from the NW corner of Sec. 4, T. 30 N., R. 24 E., M.D.B. situated in Pershing County, State of Nevada.

Now Know Ye, That the State Engineer, under the provisions of Section 72, Chapter 140, Statutes of 1913 has determined the date, source, purpose and amount of such appropriation, together with the place to which such water is appurtenant, as follows:

Name of appropriator Pacific Portland Cement Company
Post-office address 827 Pacific Bldg. San Francisco, California
Amount of appropriation 0.01 of a cubic foot per second
Period of use, from January 1st to December 31st of each year
Date of priority of appropriation August 25, 1922.

Description of works of diversion, manner and place of use:
A box has been installed at the spring from which water is conveyed through 0.35 miles of one inch lateral pipe line; thence through 4.25 miles of main pipe line 2 inches in diameter to a reservoir located approximately in the NE 1/4 Sec. 11, T. 31 N., R. 23 E., M.D.B. & M., unsurveyed, from where it is distributed for all purposes incidental to the operation and maintenance of plaster mill, equipment, and camp site of company near Gerlach, Nevada.

The right to water hereby determined is limited to the amount which can be beneficially used, not to exceed the amount above specified, and the use is restricted to the place where acquired and to the purpose for which acquired.

IN TESTIMONY WHEREOF, I, Geo. W. Malone, State Engineer

Recorded 4-15-29
Woolsey County Records

of Nevada, have hereunto set my hand and the seal of my office, this 21st day of March, A. D. 1929

Geo. W. Malone
State Engineer.
