

THE STATE OF NEVADA
CERTIFICATE OF APPROPRIATION OF WATER

WHEREAS W. F. Dressler has presented to the State Engineer

1574
ASSIGNED on January 26, 1944 by Frank E. Bell and Sadie E. Bell his wife to United States of America in trust for Young Tribe of Shoshone Indians. Dead filed June 7, 1944 in 4217.

situated in Mineral County, State of Nevada.

Now Know Ye, That the State Engineer, under the provisions of Section 72, Chapter 140, Statutes of 1913

has determined the date, source, purpose and amount of such appropriation, together with the place to which such water is appurtenant, as follows:

Name of appropriator Frank E. Bell

Post-office address Austin, Lander County, Nevada

Amount of appropriation 0.050 C.F.S. or sufficient to water 8000 head

Period of use, from January 1 to December 31 of each year

Date of priority of appropriation November 13, 1916.

Description of works of diversion, manner and place of use:

Water is developed at the spring by means of a sump 12 x 12 feet, which is boarded up and from where water is conveyed through approximately three hundred feet of two inch pipe to a system of galvanized iron troughs where it is used for the watering of eight thousand sheep.

The right to water hereby determined is limited to the amount which can be beneficially used, not to exceed the amount above specified, and the use is restricted to the place where acquired and to the purpose for which acquired.

IN TESTIMONY WHEREOF, I, Geo. W. Malone, State Engineer

192 of Nevada, have hereunto set my hand and the seal of my office, this 22nd day of April, A. D. 1929

Geo. W. Malone
State Engineer.

Certificate No. 4217 Issued 22nd day of April, 1929
