

**THE STATE OF NEVADA**  
**CERTIFICATE OF APPROPRIATION OF WATER**

- - - - -

WHEREAS, Richard W. Forman, Agent has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from a Spring through a developed spring, storage tank and distribution system for Quasi-Municipal and Domestic purposes. The point of diversion of water from the source is as follows:

SE1/4 NE1/4, Section 35, T.16N., R.43E.,  
M.D.B.&M. or at a point from which the SE  
corner of Section 36, T.16N., R.43E.,  
M.D.B.&M. bears S 63° 41' 26" E. a distance of  
6998.95 feet situated in Lander County, State  
of Nevada.

NOW KNOW YE, That the State Engineer, under the provisions of NRS 533.425, has determined the date, source, purpose, amount of appropriation, and the place where such water is appurtenant, as follows:

|                                       |                                                                   |
|---------------------------------------|-------------------------------------------------------------------|
| Name of appropriator:                 | Kingston Town Board                                               |
| Source:                               | Spring                                                            |
| Manner of Use:                        | Quasi-Municipal and Domestic                                      |
| Amount of appropriation:              | 0.0134 c.f.s. but not to exceed<br>1.621 million gallons annually |
| Period of use:                        | January 1st to December 31st of each<br>year                      |
| Date of priority of<br>appropriation: | March 21, 1977                                                    |

Description of the works of diversion, manner and place of use:

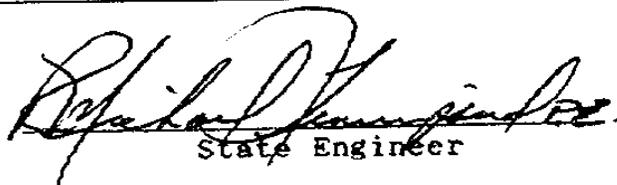

Water is diverted from a developed spring, thence through a distribution system to supply municipal water to the Town of Kingston which includes 142 houses, a 16 unit trailer park and 7 businesses with parks and recreation areas located within the NE1/4 Section 35, S1/2 NW1/4, N1/2 SW1/4, Section 36, T.16N., R.43E., M.D.B.&M.

The total combined rate of diversion between this certificate and Certificate 10765, shall not exceed 0.0259 c.f.s.

This permit is issued subject to the terms of the permit.

The right to water hereby determined is limited to the amount which can be beneficially used, not to exceed the amount above specified, and the use is restricted to the place and for the purpose as set forth herein.

IN TESTIMONY WHEREOF, I R. MICHAEL TURNIPSEED, State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 5th day of AUGUST, A.D. 19 91.

  
State Engineer
