| Source:                            | Underground                                                      |
| Manner of Use:                     | Quasi-Municipal                                                  |
| Amount of appropriation:           | 0.0624 c.f.s., but not to exceed 0.0791 million gallons annually |
| Period of use:                     | January 1st to December 31st of each year                        |
| Date of priority of appropriation: | January 2, 1998                                                  |

Description of the works of diversion, manner and place of use:

Water is developed by means of a drilled well, 360 feet deep, 8- 5/8 inch diameter casing, equipped with a 10 H.P. submersible pump, thence through a distribution system to the Currant Creek Community Center and to a two bay ambulance and fire truck building, located within a portion of the NW¼ SE¼ Section 8, T.10N., R.58E., M.D.B.&M.

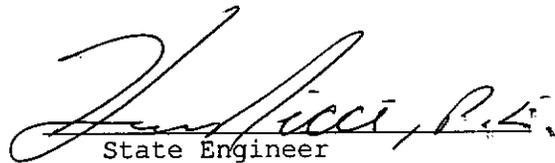

This certificate is issued subject to the terms of the permit and with the understanding that the total annual duty and rate of diversion may be exceeded under a condition of fire emergency.

The right to water hereby determined is limited to the amount which can be beneficially used, not to exceed the amount above specified, and the use is restricted to the place and for the purpose as set forth herein.

IN TESTIMONY WHEREOF, I, HUGH RICCI, P.E., State Engineer of Nevada, have hereunto set my hand and the seal of my office, this

20th day of November, A.D., 2002.
