

THE STATE OF NEVADA
CERTIFICATE OF APPROPRIATION OF WATER

WHEREAS, Everest Hackett, Stockman has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from Underground through well, windmill, tank, trough and pipe line for Stockwatering

purposes. The point of diversion of water from the source is as follows: Within the SW 1/4 NW 1/4 Sec. 17, T. 1 S., R. 71 E., M.D.B.&M., or at a point from which the N 1/4 corner of said Sec. 17 bears N. 43° 17' E., 1,983.6 feet situated in Lincoln County, State of Nevada.

Now Know YE, That the State Engineer, under the provisions of Section 72, Chapter 46, Statutes of 1937 has determined the date, source,

purpose and amount of such appropriation, together with the place to which such water is appurtenant, as follows:

Name of appropriator: Everest Hackett
Post-office address: P. O. Box 253, Pioche, Nevada
Amount of appropriation: 0.004 c.f.s. or sufficient to water 300 cattle and 5 horses
Period of use, from January 1 to December 31 of each year
Date of priority of appropriation: March 17, 1950

Description of works of diversion, manner and place of use: Water is developed by means of a drilled well 125 feet deep case with 6 and 8 inch casing and equipped with an 8' aeromotor windmill; thence conveyed to a steel storage tank 16 feet in diameter and 5 feet high; thence conveyed to a steel watering tank 4 feet in diameter and 2 feet deep. Flow into watering tank is regulated by means of a float valve. The place of use is within the same subdivision as the point of diversion.

The right to water hereby determined is limited to the amount which can be beneficially used, not to exceed the amount above specified, and the use is restricted to the place where acquired and to the purpose for which acquired.

IN TESTIMONY WHEREOF, I, HUGH A. SHAMBERGER, State Engineer

of Nevada, have hereunto set my hand and the seal of my office, this
