

THE STATE OF NEVADA
CERTIFICATE OF APPROPRIATION OF WATER

WHEREAS, Robert P. Hall, Agent has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from an underground source through a drilled well, pump & distribution system Commercial purposes. The point of diversion of water from the source is as follows: SW 1/4 Sec. 2, T. 15N., R. 20E., M.D.B.&M., or at a point from which the SW corner of said Sec. 2 bears S. 39° 52' W., a distance of 740.43 feet situated in Carson City County, State of Nevada.

Now Know YE, That the State Engineer, under the provisions of NRS 533.425, has determined the date, source, purpose, amount of appropriation, and the place where such water is appurtenant, as follows:

Name of appropriator Bernhard, Matthews and Newman
Post-office address Carson City, Nevada
Amount of appropriation 0.033 c.f.s. but not to exceed 0.352 m.g.a.
Period of use, from January 1 to December 31 of each year
Date of priority of appropriation September 5, 1972

Description of the works of diversion, manner and place of use:
The water is diverted by means of a drilled well and pumped through a enclosed pressure system to serve bathrooms and small business concerns (twenty) in a commercial complex located in the same subdivision as the point of diversion.

This certificate is issued subject to the terms of the permit.

The right to water hereby determined is limited to the amount which can be beneficially used, not to exceed the amount above specified, and the use is restricted to the place and for the purpose as set forth herein.

IN TESTIMONY WHEREOF, I, ROLAND D. WESTERGARD, State Engineer

of Nevada, have hereunto set my hand and the seal of my office, this 10th day of JANUARY, A.D. 1978.
Roland D. Westergard
State Engineer
