I, W. H. Settelmeyer, being first duly sworn, depose and say: That this Map, consisting of three sheets numbered 1 to 3 inclusive, was traced, in my office and under my supervision, from a Map prepared by H. Barrows in 1915 and now on File with the Clerk of the Fourth Judicial District Court of the State of Nevada, in and for the County of Elko, in the File identified as, "In the Matter of the Determination of the Relative Rights in and to the Waters of the Salmon River and its Tributaries, in Elko County, Nevada"; That it is a true and correct copy of said Map; That it truly and correctly represents the area and culture from which it is proposed to transfer water as allotted under a Decree entered on the 3rd day of March, 1923, in the above-entitled matter; That on Sheets Nos. 1, 2, and 3 there has been superimposed a continuous dashed line to indicate the tentative location of a proposed drainage canal, with, on Sheet No. 1, a note to indicate point of diversion, and, further: That on Sheet No. 2, there have been superimposed certain lines and figures, together with legend, which represent the area in which water rights are to be reserved.

W. H. Settelmeyer
State Water Right Surveyor

Subscribed and sworn to before me this 7th day of February 1949

Elizabeth A. Lisle
