6 IN RE DETERMINATION OF THE WATERS
7 OF DEVILS CREEK, aka DEVILS CANYON,
8 AND ITS TRIBUTARIES IN NYE COUNTY,
9 NEVADA.

10 PETITION REQUESTING THE DETERMINATION OF THE
11 RELATIVE RIGHTS OF DEVILS CREEK, aka DEVILS
12 CANYON, AND ITS TRIBUTARIES IN NYE COUNTY, NEVADA

13 COMES NOW Petitioner, WINE GLASS, INC., by and through
14 its agent and attorney, ROSS E. de LIPKAU, of the firm of HILL,
15 CASSAS AND de LIPKAU, and petitions the State Engineer pursuant
16 to NRS 533.090 to commence a determination of the relative rights
17 of Devils Creek, aka Devils Canyon, and its tributaries in Nye
18 County, Nevada.

19 Petitioner is not certain whether the State Engineer
20 will conclude that Devils Creek, aka Devils Canyon, is tribu-
21 tary to Broad Creek, also known as Broad Canyon; but, if it
22 is so determined, then it is requested that Devils Creek, aka
23 Devils Canyon, be adjudicated, together with the Broad Canyon
24 Creek adjudication.

25 If the State Engineer determines that Devils Creek, aka
26 Devils Canyon, is not a tributary to Broad Canyon, aka Broad
27 Creek, then it is requested that it be adjudicated separately,
28 but with each statutory phase of the adjudication being commenced
29 simultaneously with the Broad Canyon, aka Broad Creek, adjudica-
30 tion.

31 Petitioner requests the State Engineer commence the
statutory adjudication procedure for the reason it would be ad-
vantageous for Petitioner, its neighbors, and the citizens of

1 Nevada to establish, by a Court Decree, the various rights to
2 the waters of Devils Creek, aka Devils Canyon, and its tributar-
3 ies in Nye County, Nevada.
