

PROOF 00405 – HANKINS-BELLINGER CO.
Morris S. and Barbara W. Gallagher

The following is a summary of the reasoning and calculations that have been used to determine the acreage of each priority of Proof 00405 that is now held by Morris S. and Barbara W. Gallagher. A breakdown of the priorities of Proof 00405 by Ralph Gamboa is on file in the Division of Water Resources, Elko Office. This breakdown has been used as a guide for this summary.

Proof 00405 for Hankins-Bellinger Co. is divided into 3 brackets. In a contract filed on December 14, 1978 between Daniel Kennedy, Edward J. Blackstock and Martha P. Blackstock, Silas D. Sinton and Bruce and Barbara Blackstock recorded in the office of the Elko County Recorder, Official Records Book 283 Page 109 the brackets were done away with and the waters were combined. According to Gamboa's opinion these brackets still exist and could only be changed by order of the Court.

According to Gamboa's calculations Silas D. Sinton received 190.60 acres of Proof 00405. The Sinton priority breakdown is listed below. Morris S. and Barbara W. Gallagher now own a portion of this Sinton property.

The Place of Use of brackets #2 and #3 does not cover any portion of Gallagher's property. The 1.01 acres of 1914 priority listed below as a portion of Sinton's property is not a part of the property now owned by Gallagher. The only priority dates that apply to Gallagher's property are listed under bracket #1.

190.60 ac. – 1.01 ac. (1914 priority) = 189.59 ac. of Sinton property that relates to the Gallagher property.

49.694 ac. (Gallagher) ÷ 189.59 ac. (Sinton) = 0.2621 = 26.21%
