Dear Michael Turnipseed:

This letter is to inform you of the abandonment of a hole drilled under Permit # 53705 located in the S.E. 1/4 x S.W. 1/4 of section 8, Township 14N., Range 65E. The owner of this property is Alta Gold Company. The hole was drilled with a mud rotary rig to a depth of 740 ft., cased with 12" x .250 casing, cleaned out with water and pumped. The well did not produce any water. The casing was then pulled and the hole was backfilled from the bottom up to 50 ft. with drill cuttings and cemented from 50 ft. to the surface with a 5 sack mix concrete.

Sincerely,
Ray Reynolds
