The office of the State Engineer has determined through investigation that a well is being used to serve five domestic units. The said well is located approximately in the SW $\frac{1}{4}$  NE $\frac{1}{4}$  Section 16, T.19N., R.19E., M.D.B.&M. The parcels of land to which water from said well is being used upon are the following:

APN 05-241-8, APN 05-241-11, APN 05-241-15,  
APN 05-241-19, APN 05-241-21 of Washoe County

A review of the records in the office of the State Engineer shows that no application to appropriate was ever filed for the subject well.

Therefore, no permit exists to serve water to the aforementioned units. NRS 534.020(1) states that all underground water of the state "...are subject to appropriation for beneficial use only under the laws of this state relating to the appropriation and use of water and not otherwise."

YOU ARE HEREBY ORDERED, pursuant to NRS 533 and 534, to take immediate action to correct this violation of the Nevada Water Law. If no corrective action is taken within ninety (90) days of the date of this Order in accordance with the Nevada Water Law the State Engineer may without further notice, pursue appropriate action.

  
R. MICHAEL TURNIPSELED, P.E.  
State Engineer

Dated at Carson City, Nevada,
