ORDER

Mrs. Marie Anderson
Mr. John Frolich
Lovelock, Nevada

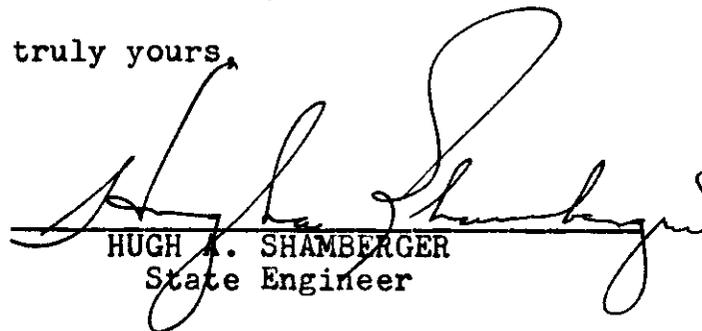

Dear Madam & Sir:

I have been advised by the Directors of the Lovelock Drainage District No. 1 that you are using their main drainage canal for the irrigation of lands, either owned or controlled by you, that are situated in T. 25 N., R. 30 E., M.D.B.&M.

The legally established means of irrigating these lands is through the ditch system of the former Lovelock Land and Development Company, now commonly called the "Big Five Ditch".

This is an order directing you to immediately cease the use of the drainage canal for the purpose of irrigating the lands above mentioned.

Very truly yours,

HUGH A. SHAMBERGER
State Engineer

Dated this 29th day of June, 1951.
