Gentlemen:

On April 14, 1960, written instructions were sent to Mr. George Hennen which advised him how he should distribute the water of McCutcheon Creek. Prior to issuing these instructions, a review of the court records concerning this matter was made.

I recognize that you do not agree with my conclusions; however, you are hereby Ordered to comply with the Water Commissioner's regulation until such time as the issues have been reviewed by the Court.

Very truly yours,
