GROUND SOURCE IN EUREKA COUNTY, NEV)

ORDER

Application 18975 was filed by Harvey F. Rife to appropriate 5.4 cfs of water from an underground source in Eureka County on July 1, 1960. The point of diversion was described as being in the SW $\frac{1}{4}$ NE $\frac{1}{4}$ Section 11, T20N., R53E., MDB&M. The place of use was described as being in the N $\frac{1}{2}$ Section 11, T20N., R53E., MDB&M. A permit was issued on April 21, 1961, for 5.4 cfs of water for irrigation and domestic purposes under Application 18975.

All of the various Proofs were submitted and filed under the terms of the permit within the times specified by the Permit, and Certificate of Appropriation of Water No. 6488 was issued on January 26, 1968, for 5.4 cfs of water for irrigation and domestic purposes. Certificate 6488 was recorded on February 7, 1968, in Book 22, Page 297, of the Official Records of Eureka County.

Certificate 6528 was inadvertently and erroneously issued under Permit 18975 on February 9, 1968, for 5.4 cfs of water for irrigation and domestic purposes, based upon the same Proofs as Certificate 6488. Certificate 6528 is in all respects an exact duplicate of Certificate 6488. Certificate 6528 was recorded in Book 22, Page 373 of the Official Records of Eureka County.

It is hereby ordered that Certificate 6528 is null and void, and of no effect. It is further ordered that a copy of this order be entered in the records of the State Engineer of the State of Nevada, the Official Records of Eureka County and that a copy of this order be sent to the owner of record.
