

IN THE OFFICE OF THE STATE ENGINEER
OF THE STATE OF NEVADA

ORDER

IN THE MATTER OF APPLICATION FOR)
ANNUAL RENEWAL OF WELL DRILLER'S)
LICENSE NO. 362 HELD BY DONALD)
G. TRENARY.)

GENERAL

An application for the annual renewal of Well Driller's License No. 362 was received in the office of the Division of Water Resources on May 28, 1971 from Donald G. Trenary with the statutory \$10.00 fee in accordance with the provisions of NRS 534.140.

On February 23, 1971, Mr. Bud Bartlett from the Las Vegas office of the State Contractor's Board and Mr. Mike Prince from the Las Vegas office of the Division of Water Resources shut down a well drilling rig operated by C. C. Carmany and Elmer R. Rhyne who were drilling a well about one mile south of Beatty, Nevada. Neither Mr. Carmany or Mr. Rhyne had a Nevada Well Driller's License or a contractor's license. Mr. Carmany paid a \$50.00 fine in the Justice Court in Beatty on the complaint filed by Mr. Bud Bartlett for drilling without a contractor's license. In spite of this action, Mr. Carmany and Mr. Rhyne completed this well and Donald G. Trenary, Well Driller's License No. 362, signed the well driller's report for Mr. Carmany. No intent to drill card was received from Mr. Trenary for this well.

The Las Vegas Branch office of the Division of Water Resources advised this office by letter dated May 21, 1971 that an intent to drill card had been received on May 18, 1971 from Donald G. Trenary. The intent to drill card indicated he would commence drilling a well on or about May 15 for Ranchers Equipment and Supply Company in the SE $\frac{1}{4}$ NE $\frac{1}{4}$ Section 19, T. 12 S., R. 47 E., Nye County. No well driller's report has been received from Mr. Trenary for this well.

No response has been received from Mr. Donald G. Trenary to correspondence by certified mail dated July 27, 1971, and October 7, 1971 requesting a full explanation of the drilling of these wells and evidence of application to, or a valid contractor's license from, the State Contractor's Board.

ORDER

The application for annual renewal of Well Driller's License No. 362 by Donald G. Trenary is herewith denied on the grounds that the applicant has not complied with the Rules and Regulations for Drilling Wells and has not furnished additional information as requested by the State Engineer.

Respectfully submitted,

Roland D. Westergard
State Engineer
