LICENSE NO. 624 HELD BY R. A.)
KLINGER.)

General

An application for the annual renewal of Well Driller's License No. 624 was received in the office of the Division of Water Resources on June 28, 1971, from Roy A. Klinger with the statutory \$10.00 fee in accordance with the provisions of NRS 534.140.

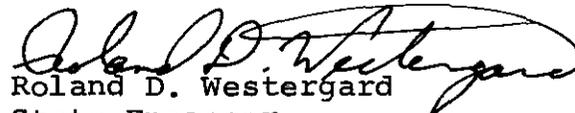

The Las Vegas Branch Office of the Division of Water Resources reported on June 16, 1971, that Mr. Klinger had submitted an intent to drill card but that the well described had been drilled by someone other than Mr. Klinger.

The Statewide Well Drillers' Advisory Board reviewed the application for annual renewal of R. A. Klinger at the meetings of July 6 and October 1, 1971. The Advisory Board recommended a letter be forwarded to Mr. Klinger requesting evidence that he had made application to or had received a contractor's license from the State Contractors Board or that he was employed by a licensed contractor. Letters by certified mail were forwarded to Mr. Klinger on July 27, 1971, and on October 6, 1971, requesting this additional information. No response was received from Mr. Klinger to either letter by certified mail.

ORDER

The application for annual renewal of Well Driller's License No. 624 by R. A. Klinger is herewith denied on the grounds that the applicant has not complied with the Rules and Regulations for Drilling Wells and has not furnished additional information as requested by the State Engineer.

Respectfully submitted,
