Application 17897 was filed on March 20, 1959, for permission to appropriate the public waters of the State of Nevada.

A permit was granted under the provisions of NRS 534.120 and issued subject to revocation when water was available from the Las Vegas Valley Water District.

Water is now available from the Las Vegas Valley Water District and the District is, in fact, presently providing water service.

It is hereby ordered that Permit 17897 is revoked and no further proceedings shall be had thereunder.

Roland D. Westergard  
State Engineer
