Application 19517 was filed on January 31, 1961,
for permission to appropriate the public waters of the State
of Nevada.

A permit was granted under the provisions of NRS 534.120
and issued subject to revocation when water was available
from the Las Vegas Valley Water District.

Water is now available from the Las Vegas Valley Water
District and the District is, in fact, presently providing
water service.

It is hereby ordered that Permit 19517 is revoked and
no further proceedings shall be had thereunder.

Roland D. Westergard
State Engineer
