

IN THE OFFICE OF THE STATE ENGINEER
STATE OF NEVADA

ORDER

Public Service Commission of Nevada
Capitol Complex
505 East King Street, Room 304
Carson City, Nevada 89710

Certificate 2774 (Permit 10854) was issued for 0.018 c.f.s. of water from an underground source for domestic purposes. The point of diversion of water from the source is described as being within the SW $\frac{1}{4}$ NW $\frac{1}{4}$ Section 28, T.21S., R.61E., M.D.M.

Nevada Revised Statutes provide that failure for five (5) successive years to use beneficially all or any part of the underground water for the purpose for which such right has been acquired shall work a forfeiture to the use of such water to the extent of such nonuse.

Records, evidence and information on file in the Office of the State Engineer indicate that there has been no beneficial use of water under the subject Certificate and Permit for a period in excess of five (5) successive years.

It is hereby ordered that Certificate 2774 (Permit 10854) is declared forfeited in its entirety.

Roland D. Westergard
State Engineer

Dated this 2nd day of
May, 1977.
