An investigation on June 3, 1977 determined that water was being diverted from a well located within the NW $\frac{1}{4}$  NE $\frac{1}{4}$  of Section 3, T. 11 N., R. 23 E., M.D.B.&M. Applications 28263 and 28264 were filed on April 18, 1974 to appropriate water from the well at the described point of diversion. The applications were filed in the names of Robert H. Griffin and Hunewill Land and Livestock Co., Inc., respectively. Applications 28263 and 28264 were denied on March 1, 1977. Nevada Revised Statutes 534.050 3. provide as follows: "Any person using water after a permit has been withdrawn, denied, canceled, revoked or forfeited is guilty of a misdemeanor. Each day of violation of this subsection shall constitute a separate offense and be separately punishable." Records indicate that there are no existing rights to divert and use water from the well located within the NW $\frac{1}{4}$  NE $\frac{1}{4}$  Section 3, T. 11 N., R. 23 E., M.D.B.&M.

You are hereby notified and ordered to immediately cease and desist from diverting and using water from the well described.
