Applications 21039 and 21040 were filed on February 12, 1963, for permission to appropriate the public waters of the State of Nevada.

A permit was granted under the provisions of NRS 534.120 and issued subject to revocation when water was available from the Las Vegas Valley Water District.

Water is now available from the Las Vegas Valley Water District and the District is, in fact, presently providing water service.

IT IS HEREBY ORDERED that Permits 21039 and 21040 are revoked and no further proceedings shall be had thereunder.

IT IS ALSO ORDERED that the well drilled under these permits be plugged in accordance with Part 14 of the State of Nevada, Division of Water Resources "Regulations for Drilling Water Wells" and that plugging be completed within 60 days from the date of this order.
