R U L I N G

GENERAL:

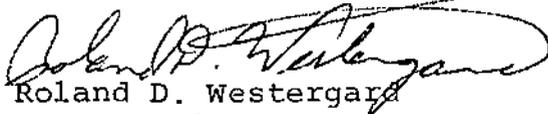

19  
Application 7709 was filed by G. S. Garcia on April 17, 1926, for permission to appropriate 0.5 c.f.s. of water from Summit Spring for stockwatering purposes. The proposed point of diversion and place of use is described as within NE $\frac{1}{4}$  SW $\frac{1}{4}$  Section 16, T.34N., R.56E., M.D.B.&M.

A letter dated October 1, 1968, was sent to the applicant by certified mail requesting additional information necessary before a permit could be issued under this application. The return receipt signed by Mr. G. S. Garcia was received in this office October 4, 1968. No reply to this letter has been received.

RULING

Application 7709 is herewith denied on the grounds that the applicant failed to submit the requested information and the granting of a permit under this application without said information would be detrimental to the public welfare.

Respectfully submitted,

  
Roland D. Westergard  
State Engineer
