R U L I N G

GENERAL:

Application 8061 was filed by G. S. Clack on March 29, 1927 to appropriate 0.15 c.f.s. of water from the Carson River. The point of diversion is described as within the NW $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 35, T. 15 N., R. 20 E., M.D.B.&M. The place of use is described as within the same subdivision as the point of diversion.

A letter was sent to the applicant on December 11, 1969 by certified mail requesting additional information necessary before further action could be taken on Application 8061. No reply or expression of interest has been received to this request.

RULING

Application 8061 is herewith denied on the grounds that the applicant has failed to submit the information requested, and the approval of this application without the information requested would be detrimental to the public welfare.

Respectfully submitted,

Roland D. Westergard
State Engineer
