Requests for references were forwarded to those five (5) persons or firms as listed on the application on September 4, 1973. One unsigned response addressed to Tom M. Hickman, 10 South Carson Street, Fallon, Nevada, has been received to this date. The reference addressed to Mr. J. Fredricks, Soda Lake Road, Fallon, Nevada was returned unclaimed.

The applicant was advised by certified mail dated September 5, 1973, that a regular meeting of the Statewide Well Drillers' Advisory Board was scheduled for September 7, 1973, and invited to appear for an oral interview. The applicant appeared before the Advisory Board at the September 7, 1973, meeting and was interviewed by the members of the Board. The applicant stated that he had recently retired from the Navy and had been working as a driller's helper for Tom Hickman since April of this year.

The Advisory Board recommended denial of the application for a well driller's license by Paul N. Pflimlin on the grounds that the applicant did not have sufficient experience. In addition, the Advisory Board recommended that Mr. Pflimlin reapply for a well driller's license after an additional six months of experience.
