Application No. 31749 was filed on May 19, 1977 by Kenneth L. Teeters to appropriate 0.045 cfs of the waters of an underground source to be diverted within the SW $\frac{1}{4}$ SE $\frac{1}{4}$ Section 14, T.22S., R.60E., M.D.B.&M. to be used for quasi-municipal purposes (for four residences) located within the same subdivision as the point of diversion.

This application was protested by Blanche B. Holmes on August 4, 1977. A meeting on the matter of this application and protest was held on October 20, 1977.

It is our opinion that the granting of this application will not tend to impair the value of existing rights nor be otherwise detrimental to the public welfare.

The protest to the granting of application No. 31749 is herewith overruled, and a permit shall be granted subject to existing rights and subject to the provision that this permit will be revoked when water is available from the Las Vegas Valley Water District.

Respectfully submitted,
