

IN THE MATTER OF APPLICATION 40876)
FILED IN DAYTON VALLEY, LYON)
COUNTY, NEVADA)

R U L I N G

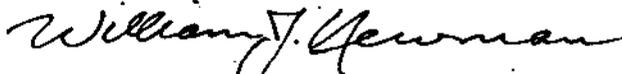

FINDINGS OF FACT

Application 40876 was filed by Lyon County on March 13, 1980, to change the place of use of Application 39087. Application 39087 was denied on September 29, 1980, on the grounds that an additional withdrawal of ground water in close proximity to the Carson River, and in the concentrated well area north of the Carson River, would conflict with existing rights and be detrimental to the public interest.

RULING

Application 40876 is denied on the grounds that there are no water rights to change under Application 39087.

Respectfully submitted,

William J. Newman
State Engineer
