GENERAL

An application for a Nevada well driller's license was received in this office on June 23, 1980, together with the statutory \$25 filing fee. Receipt No. 6181 was issued to Errol F. Wilkey. Requests for five references were mailed on June 23, 1980. Responses were received from five of the references.

Errol F. Wilkey was notified by certified mail to appear before the Statewide Well Drillers' Advisory Board for an interview on July 9, 1980. The applicant did appear as requested. The Board unanimously recommended approval of the application of Errol F. Wilkey pending the receiving of references showing experience. Letters of recommendation by references do not substantiate that Errol F. Wilkey has the background to be licensed by the State Well Drillers' Advisory Board. On November 4, 1980, a letter was written to Mr. Wilkey requesting other references, Certified Mail No. 167058. No answer was received in this office to this letter.

RULING

The application of Errol F. Wilkey is herewith denied on the grounds that the applicant has failed to substantiate his experience and ability as a water well driller.

Respectfully submitted,

William J. Newman
State Engineer
