

IN THE MATTER OF APPLICATION 43416)
FILED BY SARAHA S. FORD TO APPROPRIATE)
5.4 C.F.S. OF WATER FROM AN UNDERGROUND) R U L I N G
SOURCE IN PUMPERNICKEL VALLEY, HUMBOLDT)
COUNTY, NEVADA)

GENERAL

Application 43416 was filed March 30, 1981, by Saraha S. Ford to appropriate water from an underground source in Pumpernickel Valley, Humboldt County, Nevada.

On May 28, 1981, in conformance with procedure set out under NRS 533.355, the State Engineer returned Application 43416 for correction by certified mail with a description of the defects in the application and a request for a supporting map.

Application 43416 was canceled July 23, 1981, for failure of the applicant to submit the Amended Application within the statutory time limit described under NRS 533.355. Subsequent to the cancellation, the Amended Application was located in the State Engineer's office. Evidence on the Amended Application, namely, the required date stamp, indicated that it was received prior to the deadline of July 17, 1981, specified in the notice.

RULING

The cancellation of Application 43416 is herewith rescinded on the grounds that the applicant properly complied with the certified return for correction notice dated May 18, 1981, and that the supporting map and Amended Application as required under NRS 533.350 were timely received in this office. A period of 30 days from the date of this ruling is herewith allowed for resubmission of the statutory publication fee under this application. Upon submission of the \$25 publication fee, the application shall be processed toward publication in accordance with provisions of NRS 533.360.

Respectfully submitted,

Peter G. Morros
State Engineer

PGM/AV/ja

Dated this 17th day of
MAY, 1982.
