FINDING OF FACTS

An application for a Nevada well driller's license was filed by Anthony G. Logan in the Office of the State Engineer on March 16, 1987, together with the statutory filing fee of \$50.00. Receipt No. 8789 was issued to Anthony G. Logan for said filing fee.

Requests for four references were mailed on March 16, 1987. A response was received from three of the individuals. The applicant was notified by certified mail to appear before the Statewide Well Drillers' Advisory Board on April 2, 1987. The applicant did appear as scheduled for an oral interview before the Statewide Well Driller's Advisory Board. The Board recommended that he return in three months with complete knowledge of the Regulations for Drilling Water Wells.

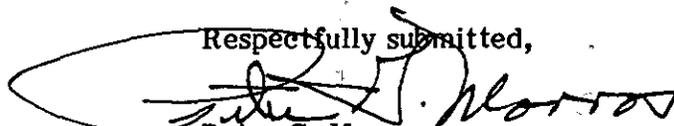

CONCLUSIONS

The applicant was notified by certified mail to appear before the Statewide Well Drillers' Advisory Board for an oral interview on July 9, 1987. The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Drillers' Advisory Board recommends denial of the application of Anthony G. Logan.

RULING

The application of Anthony G. Logan is herewith denied on the grounds that the applicant has failed to substantiate his experience and ability as a water well driller.

Respectfully submitted,
