RULING

FINDING OF FACTS

An application for a Nevada well driller's license was filed by Robert D. Hayes in the Office of the State Engineer on March 30, 1987, together with the statutory filing fee of \$50.00. Receipt No. 8792 was issued to Sargent Irrigation Company for said filing fee.

Requests for four references were mailed on March 30, 1987. A response was received from three of the individuals. The applicant was notified by certified mail to appear before the Statewide Well Drillers' Advisory Board on July 9, 1987.

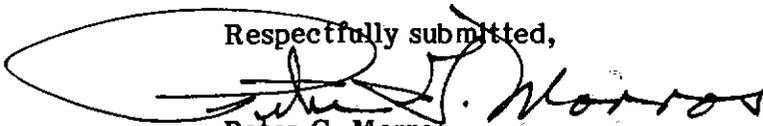

CONCLUSIONS

The applicant was notified by certified mail to appear before the Statewide Well Drillers' Advisory Board for an oral interview on July 9, 1987. The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Drillers' Advisory Board recommends denial of the application of Robert D. Hayes.

RULING

The application of Robert D. Hayes is herewith denied on the grounds that the applicant has failed to substantiate his experience and ability as a water well driller.
