RULING

FINDING OF FACTS

An application for a Nevada well driller's license was filed by Harve Hanner in the Office of the State Engineer on February 29, 1988, together with the statutory filing fee of \$50.00. Receipt No. 9158 was issued to Harve Hanner for said filing fee.

Requests for five references were mailed on February 29, 1988. A response was received from two of the individuals.

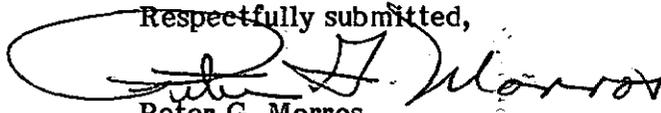

CONCLUSIONS

The applicant was notified by certified mail to appear before the Statewide Well Drillers' Advisory Board for an oral interview on April 6, 1988. The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Drillers' Advisory Board recommends denial of the application of Harve Hanner.

RULING

The application of Harve Hanner is herewith denied on the grounds that the applicant has failed to substantiate his experience and ability as a water well driller.

Respectfully submitted,

Peter G. Morros
State Engineer
