FINDING OF FACTS

An application for a Nevada Well Driller's License was filed by Jeff W. Steele in the office of the State Engineer on December 27, 1991, together with the statutory filing fee of \$100.00. Receipt No. 11185 was issued to Silver State Drilling for said filing fee.

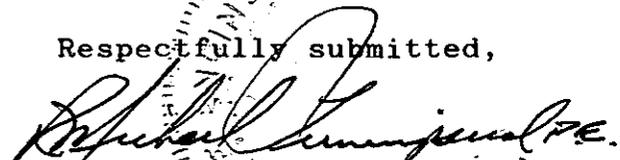

Requests for four references were mailed on March 23, 1992. A response was received from all of the individuals. The applicant was notified on October 19, 1992, by certified mail to appear before the Statewide Well Drillers' Advisory Board on November 5, 1992, at 8:30 a.m. in Carson City, Nevada. The certified mail receipt was returned to our office on November 5, 1992, marked return to sender.¹

The applicant did not appear as requested and did not notify the office of the State Engineer that he would not appear. The Statewide Well Drillers' Advisory Board recommended denial of the application of Jeff. W. Steele on November 5, 1992.²

RULING

The State Engineer concurs with the recommendation of the Board and the application of Jeff W. Steele is herewith denied on the grounds that the applicant failed to appear as scheduled to substantiate his experience and ability as a water well driller.

Respectfully submitted,
