Application No. 18699 was filed in support of Desert
Land Application No. Nevada-046141. On August 1, 1960, we were
notified by the Bureau of Land Management, Reno, Nevada, that
they had rejected the land application. As of the date of this
ruling, the applicant does not have control of the land on
which he plans to place the water to beneficial use.

RULING

Application No. 18699 is hereby denied on grounds
that the applicant does not have control of the land on which he
plans to place the water to beneficial use, and that its granting
would be detrimental to the public welfare.

Respectfully submitted,
