FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Gene Raines in the office of the State Engineer on July 13, 1989 together with the statutory filing fee of \$50.00. Receipt No. 10065 was issued to Gene Raines for said filing fee.

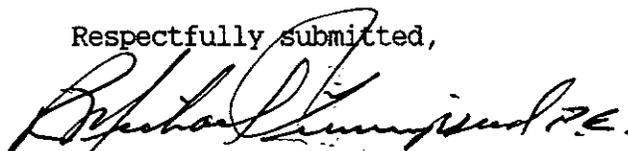

Requests for four references were mailed on July 17, 1989. References were received from one of the requests. The applicant was notified on September 8, 1989 by certified mail to appear before the Statewide Well Drillers' Advisory Board on October 6, 1989 at 10:00 A.M. in Las Vegas, Nevada. The certified mail receipt was signed by L. Mets on September 21, 1989.<sup>1</sup>

The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Driller's Advisory Board recommended denial of the application of Gene Raines on October 6, 1989.<sup>2</sup>

RULING

The State Engineer concurs with the recommendation of the Board and the application of Gene Raines is herewith denied on the grounds that the applicant failed to appear as scheduled to substantiate his experience and ability as a water well driller.
