RULING

FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Richard Lee Dockter in the office of the State Engineer on September 8, 1992 together with the statutory filing fee of \$100.00. Receipt No. 11685 was issued to Richard Lee Dockter for said filing fee.

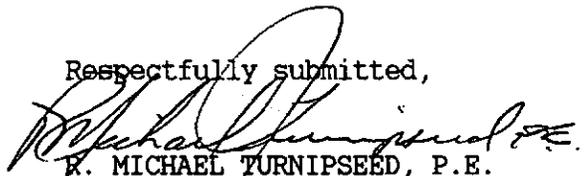

The applicant was notified on October 19, 1992 by certified mail to appear before the Statewide Well Drillers' Advisory Board on November 6, 1992 at 3:00 P.M. in Las Vegas, Nevada.<sup>1</sup>

The applicant appeared as scheduled and was examined by the Board. Based upon the applicant's responses to questions about the Regulation and drilling equipment and practices, the Board finds that the applicant failed to demonstrate a good knowledge of the Regulation and experience as a well driller. The Statewide Well Driller's Advisory Board recommended denial of the application of Richard Lee Dockter on November 6, 1992.<sup>2</sup>

RULING

The State Engineer concurs with the recommendation of the Board and the application of Richard Lee Dockter is herewith denied on the grounds that the applicant failed to substantiate his experience and ability as a water well driller, and did not demonstrate knowledge of the Regulations for Water Well and Related Drilling.

Respectfully submitted,

  
R. MICHAEL TURNIPSEED, P.E.  
State Engineer
