FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Scott J. Ackley in the office of the State Engineer on June 18, 1984 together with the statutory filing fee of \$50.00. Receipt No. 7880 was issued to Lang Exploratory Drilling for said filing fee.

The applicant appeared as scheduled and was examined by the Board. Based upon the applicant's responses to questions about the Regulation and drilling equipment and practices, the Board finds that the applicant failed to demonstrate a good knowledge of the Regulation and experience as a well driller and recommended that the applicant be rescheduled for another examination by the Board.<sup>1</sup>

The applicant was notified on October 1, 1984 by certified mail to appear before the Statewide Well Drillers' Advisory Board on October 16, 1984 at 9:30 a.m. in Carson City, Nevada. The certified mail receipt was signed by Marlene Ackley on October 13, 1984.<sup>1</sup> Mr. Ackley was not examined by the Board on that date.

The applicant was notified on January 4, 1985 by certified mail to appear before the Statewide Well Drillers' Advisory Board on January 16, 1985 at 3:00 p.m. in Carson City, Nevada. The certified mail receipt was signed by Carol Swenson on January 8, 1985. This office was advised on January 14, 1985 that the applicant would not be able to attend.<sup>1</sup>

The State Engineer finds that the applicant was not rescheduled for another examination by the Board.<sup>1</sup>

The applicant was requested by certified mail September 1, 1993 to state his intentions within 30 days regarding a water well drilling license in the State of Nevada. The Certified mail receipt was signed by Floyd Ackley on September 8, 1993.<sup>1</sup>

<sup>1</sup> Well driller license file is public record in the office of the State Engineer.
