RULING

#4075

FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Douglas C. Grabowski in the office of the State Engineer on April 20, 1990 together with the statutory filing fee of \$50.00. Receipt No. 10172 was issued to Becker Drills, Inc. for said filing fee.

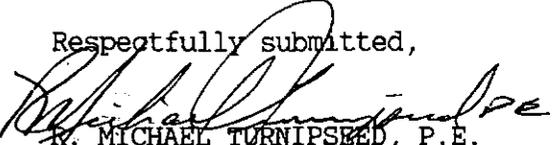

The applicant was notified on June 26, 1990 by certified mail to appear before the Statewide Well Drillers' Advisory Board on July 13, 1990 at 3:30 P.M. in Las Vegas, Nevada.

The applicant appeared as scheduled and was examined by the Board. Based upon the applicant's responses to questions about the Regulation and drilling equipment and practices, the Board finds that the applicant failed to demonstrate a good knowledge of the Regulation and experience as a well driller. The Statewide Well Driller's Advisory Board recommended denial of the application of Douglas C. Grabowski on July 13, 1990.

RULING

The State Engineer concurs with the recommendation of the Board and the application of Douglas C. Grabowski is herewith denied on the grounds that the applicant failed to substantiate his experience and ability as a water well driller and did not demonstrate knowledge of the Regulations for Water Well and Related Drilling.

Respectfully submitted,

B. MICHAEL TURNIPSRED, P.E.
