RULING

#4083

FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Robert H. Garrett in the office of the State Engineer on March 22, 1993 together with the statutory filing fee of \$100.00. Receipt No. 11741 was issued to First Baptist Church of Montello for said filing fee.

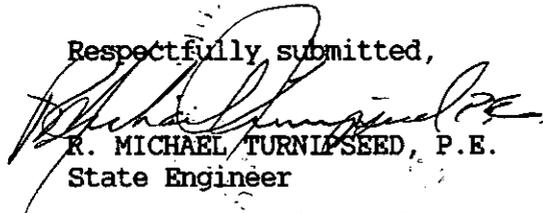

The applicant was notified on March 23, 1993 by certified mail to appear before the Statewide Well Drillers' Advisory Board on April 22, 1993 at 3:30 P.M. in Carson City, Nevada.¹

The applicant appeared as scheduled and was examined by the Board. Based upon the applicant's responses to questions about the Regulation and drilling equipment and practices, the Board finds that the applicant failed to demonstrate a good knowledge of the Regulation and experience as a well driller. The Statewide Well Driller's Advisory Board recommended denial of the application of Robert H. Garrett on April 22, 1993.¹

RULING

The State Engineer concurs with the recommendation of the Board and the application of Robert H. Garrett is herewith denied on the grounds that the applicant failed to substantiate his experience and ability as a water well driller, and did not demonstrate knowledge of the Regulations for Water Well and Related Drilling.

Respectfully submitted,

R. MICHAEL TURNIPSEED, P.E.
