RULING #4154

FINDING OF FACT

An application for a Nevada Well Driller's License was filed by David James Reid in the office of the State Engineer on May 9, 1994 together with the statutory filing fee of \$100.00. Receipt No. 12303 was issued to EDDCO Exploration, Inc. for said filing fee.

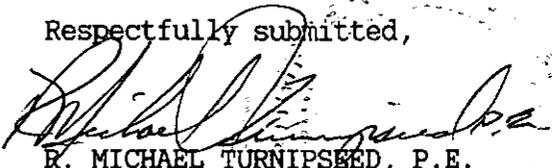

Requests for four references were mailed on May 10, 1994. References were received from one of the requests. The applicant was notified on September 12, 1994 by certified mail to appear before the Statewide Well Drillers' Advisory Board on October 13, 1994 at 8:00 A.M. in Carson City, Nevada. The certified mail receipt was signed by Dawn Gibson on September 13, 1994.¹

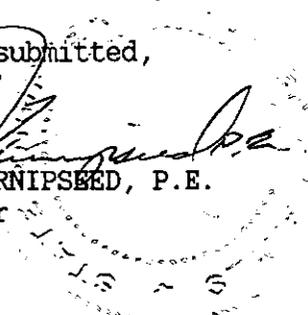

The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Driller's Advisory Board recommended denial of the application of David James Reid on October 13, 1994.²

RULING

The State Engineer concurs with the recommendation of the Board and the application of David James Reid is herewith denied on the grounds that the applicant failed to appear as scheduled to substantiate his experience and ability as a water well driller.
