FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Mark James Nelson in the office of the State Engineer on March 22, 1994 together with the statutory filing fee of \$100.00. Receipt No. 12298 was issued to Diamond Well Drilling Co. for said filing fee.

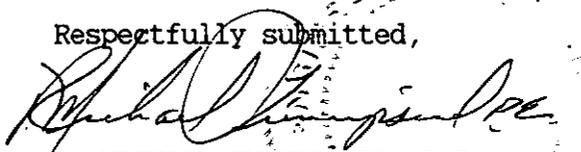

Requests for four references were mailed on March 22, 1994. References were received from three of the requests. The applicant was notified on September 12, 1994 by certified mail to appear before the Statewide Well Drillers' Advisory Board on October 13, 1994 at 8:00 A.M. in Carson City, Nevada. The certified mail receipt was signed by Diane Stevens on September 14, 1994.<sup>1</sup>

The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Driller's Advisory Board recommended denial of the application of Mark James Nelson on October 13, 1994.<sup>2</sup>

RULING

The State Engineer concurs with the recommendation of the Board and the application of Mark James Nelson is herewith denied on the grounds that the applicant failed to appear as scheduled to substantiate his experience and ability as a water well driller.
