FINDING OF FACT

An application for a Nevada Well Driller's License was filed by Bill Miller in the office of the State Engineer on August 2, 1994 together with the statutory filing fee of \$100.00. Receipt No. 12796 was issued to William D. Miller for said filing fee.

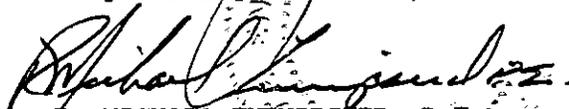

Requests for four references were mailed on August 2, 1994. References were received from two of the requests. The applicant was notified on December 8, 1994 by certified mail to appear before the Statewide Well Drillers' Advisory Board on January 12, 1995 at 8:30 A.M. in Carson City, Nevada. The certified mail receipt was returned marked "unclaimed" on January 10, 1995.<sup>1</sup>

The applicant did not appear as requested and did not notify the Office of the State Engineer that he would not appear. The Statewide Well Driller's Advisory Board recommended denial of the application of Bill Miller on January 12, 1995.<sup>2</sup>

RULING

The State Engineer concurs with the recommendation of the Board and the application of Bill Miller is herewith denied on the grounds that the applicant failed to appear as scheduled to substantiate his experience and ability as a water well driller.
