

IN THE MATTER OF APPLICATION NO.
18808, FILED BY WILLIAM F. AND
KATHARINE K. WALKER, TO APPROPRI-
ATE UNDERGROUND WATER FOR IRRIGA-
TION PURPOSES IN LYON COUNTY,
NEVADA.

R U L I N G

General:

107 Application No. 18808 was filed to appropriate 10.0 c.f.s. of water from an underground source within the NE $\frac{1}{4}$ NW $\frac{1}{4}$ Sec. 34, T. 12 N., R. 23 E., M.D.B.&M., for the irrigation of 720 acres of land.

A protest to the granting of this application was filed on July 26, 1960, by Lester M. Farias on grounds that its granting would interfere with his prior water application, No. 18689.

It is the opinion of this office that there is unappropriated water in the source, and the well will not cause interference with other existing water rights.

RULING

The protest to the granting of this application is herewith overruled on grounds that its granting will not impair the value of existing water rights or be otherwise detrimental to the public welfare.

A permit will be issued under this application on receipt of the statutory permit fee and subject to the following provisions:

- (1) The water must be used in conjunction with present water supplies;
- (2) The water granted under the permit is limited to supplemental use and is appurtenant to the 640 acres having existing water rights.

Respectfully submitted,

Edmund A. Muth

EDMUND A. MUTH
State Engineer
