General:

109 A protest against the granting of this application was filed on March 31, 1958, by Herman L. Dreyer on grounds that the source under application is in a common service area used by the protestant and others.

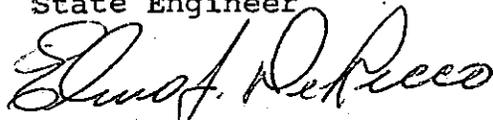

Upon investigation it was found that the applicant has an individual grazing allotment in the service area of the application.

RULING

The protest to the granting of the application is here-with overruled and a permit will be issued upon receipt of the statutory permit fee.

Respectfully submitted,

EDMUND A. MUTH  
State Engineer

ELMO J. DERICCO  
Assistant State Engineer

Dated this 18th day of
