General:

Application 18958 was filed in support of  
Desert Land Application Nevada- 049095 . On August 3,  
1961 , we were notified by the Bureau of Land  
Management, Reno, Nevada, that they had ~~rejected~~ closed  
~~cancelled~~ the land application. As of the date of this  
ruling, the applicant does not have control of the land  
on which he plans to place the water to beneficial use.

RULING

Application 18958 is hereby denied on grounds  
that the applicant does not have control of the land on which  
he plans to place the water to beneficial use, and that its  
granting would be detrimental to the public welfare.
